

YOUR YEAR-ROUND GUIDE TO GALLERIES, ART STUDIOS AND EVENTS | IN OUR 17TH YEAR

About The Art Map

The Art Map is in its 17th year of providing a year round guide to art galleries, art studios and events in Ontario. In the past we've printed an annual booklet that was distributed in South Western Ontario. Our website listed artists, galleries, events and provided more information.

Due to COVID restrictions we've decided to put everything online. This will allow us to adapt to changing circumstances.

Open Studio Weekends

Due to the uncertainty of the pandemic and many shows having been postponed until 2022, we've looked at ways to allow artists to show their work in a safe way.

Your own gardens, decks, patios and back yards may provide you with safe venues. We have added more weekends to our schedule this year to facilitate opportunities for artists to show their work outdoors in warmer months.

Date options are listed on the second page of this sheet. If there are other dates you would like to be open and promote on our site, please ask us about special rates, and we will help organize a small tour on the same dates with other artists in your area.

Guest Artists

Guest Artists are listed with you on your home studio page and can participate in all Open Studio Weekends with you. They will have 50 word description and one photo of their work. The cost is \$50 per guest.

If your guest wants to be listed separately the cost is \$129/year and \$10 per weekend.
